To Whom It May Concern:

I am writing this letter of recommendation for Kayla Atkisson. I have had the pleasure to know Kayla for just about a year. I first met her when she was assigned to our office as part of a job shadow program that Canyons School District sponsored. After spending several hours with her on that day I was completely impressed. In fact I was so impressed I told her that if she ever needed a job to give me a call and I would find a position for her here at our firm. I felt very fortunate to hear from her several months later as she was looking for employment. We have recently hired her and she has been everything that we expected she would be.

Kayla is an amazing person. She is incredibly self motivated and driven and has accomplished much and excelled in her pursuits both academically and other. She sets her goals high and holds herself to a standard commensurate with achieving those goals and aspirations. She possesses a rare blend of skills and attributes that allow her to be both analytical and personable. Kayla is very responsible and has demonstrated that she is a hard worker. She has maintained excellent grades while being involved in many extracurricular activities including building her own piano teaching business. As mentioned above Kayla is extremely personable and interacts well with others. Technically she is very proficient and competent in all areas.

I whole heartedly recommend Kayla as a scholarship applicant and am highly confident that she would be a wonderful representative of the scholarship award.

Please do not hesitate to contact me if you any questions. I can be reached at (801) 566-6639.

Sincerely,

David W. Swapp CFP™, MBA
